Our Practice Limited To Oral & Maxillofacial Surgery

Important Instructions to the patient

A preliminary examination will aid in arranging proper appointment

Patients anticipating a General Anesthetic must:

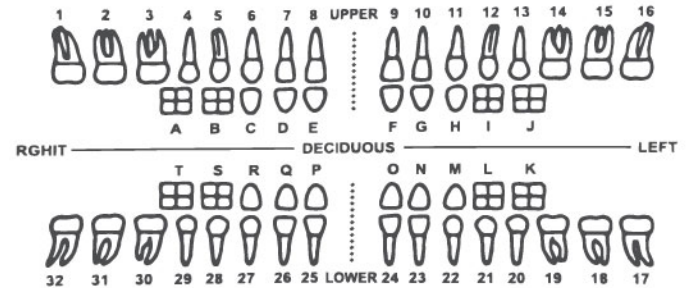

- 1- Abstain from food and drinks 6 hours prior to the surgery.
- 2- To be accompanied by a responsible adult who drives.
- 3- Wear loose, comfortable clothing-short sleeve shirt, abstain from wearing stocking or leggings.
- 4- Please bring all your medications with you at your next appointment.
- 5- If you may need to cancel or reschedule your appointment, please notify us at least 24 hours in advance or fees may apply.
